

SEATING

We are far from just a street furniture supplier

As designers, manufacturers and installers of street furniture, canopies and shelters, we pride ourselves on being the go-to experts that can offer you more.

We are determined to ensure that your outdoor space is vibrant, practical, aesthetically pleasing and functional, whilst offering you cost-effective solutions to your outdoor space planning.

As a company, we like to change the way people interact with the outdoor space, and how they view the landscape too.

We are determined to help organisations create outdoor environments that people enjoy walking through, interacting with or simply using it as a stopping and gathering point.

Our resources, flexibility and expertise often enables us to deliver more performance than your budget specifies and we will always go that extra mile for our clients when it comes to providing excellent customer service.

We are proud to have had over three decades of experience and expertise in our sector, allowing us to assist your organisation in choosing the right products for your individual scheme.

We are Bailey Streetscene

Harbour Cube

The Harbour Cube is a cube-shaped bench that can be used as a bollard. Arrowhead

Arrowhead is an exclusive range of unified concrete seating and planter elements that merge to form an infinite array of possibilities within urban furniture composition and arrangement. In short, these look great, are resilient, and are an extremely low-maintenance outdoor furniture alternative.

The curvaceous monolith arrowhead shape forms the basis of this low-maintenance and resilient alternative to traditional street furniture. Their weight and mass also allow their placement to be considered in terms of building pedestrian protection from vehicles.

A broad palette of colours and material finishes are available as well as a selection of timbers, fixtures and other accessories culminate in ensuring the Arrowhead range offers landscape designers a flexible and expressive toolkit to reshape and re-purpose urban space for a variety of practical everyday uses. The perfect blend of creative freedom and solid everyday function.

Woking Seat

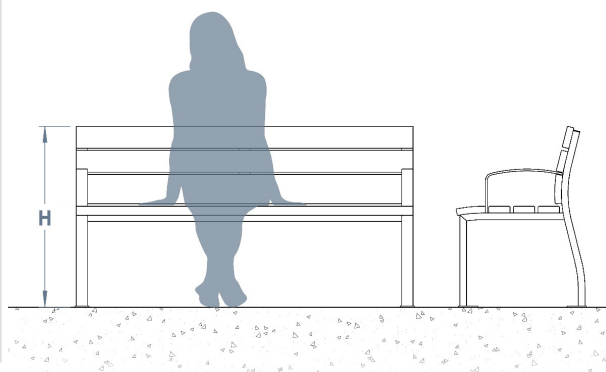

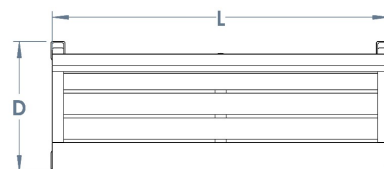

Ask yourself what you want from your outdoor seating: Weâ€™d guess that stylish, versatile and durable would be amongst your first answers. Thatâ€™s exactly what the Woking Seat is. Itâ€™s absolutely ideal for busy public spaces such as town centres, schools and colleges, and is also available in a double-sided version too.

With a frame that is galvanised and powder coated to any RAL colour of your choice, and timber slats in hardwood or softwood, this is a great addition to any area in which it is placed. It is also available with armrests, and with fixing bolts concealed within the legs for ground fixing, what you have here is a well-balanced, modern seat.

The Woking Seat is also available as a double sided bench.Â

Deacon Cube

The Deacon Cube is the latest addition to the Deacon Range, it's a solid and simplistic design that is suited for most urban environments, in particular Educational and Health institutes.

It features a steel frame clad in treated hardwood.

Available to 2 versions;

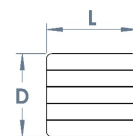

Fully clad - Hardwood cladding on all 5 sides.

Partially Clad - Hardwood cladding on 3 sides with galvanised and powder coated steel ends.

This cube comes in a variety of timber options to give you the finish your outdoor space wants and deserves. The Deacon's practicality and durability make it ideal for high footfall, heavy use areas.

Surface mounted.

Aris

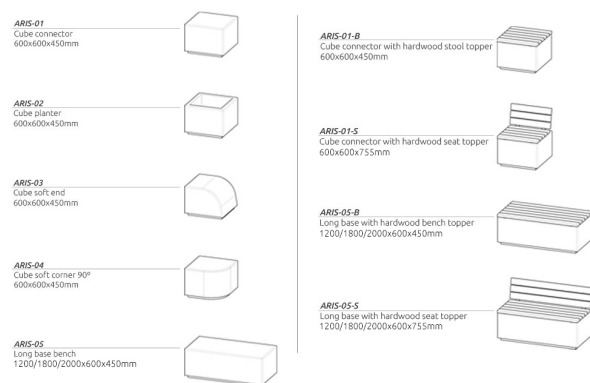

The Aris Modular Concrete collection is an exclusive range of unified concrete seating & planter elements that merge to form an infinite array of possibilities within urban furniture composition and arrangement.

The Modular shapes, in an array of size options, form the basis of this low maintenance and resilient alternative to traditional street furniture. Their weight and mass also allow their placement to be considered in terms of building & pedestrian protection.

A broad palette of colours and material finishes for the main concrete substrate add an additional layer of customisation, providing the ability to expertly match and complement the distinct context of each unique project setting.

Finally, a selection of timbers, fixtures and other accessories culminate in ensuring the Aris range offers landscape designers a flexible and expressive toolkit to reshape and re-purpose urban space for a variety of practical everyday uses.

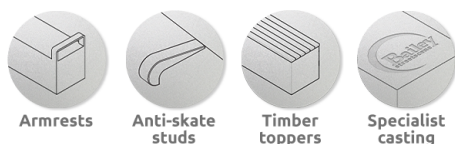

The perfect blend of creative freedom and solid everyday function! See technical drawing for guide sizes

Tombola Bench

A monolithic design featuring large hardwood beams resting on steel columns with optional integrated lighting. The lengthy Hardwood beams form an attractive and consistent bench, that when combined with underlighting becomes a focal point in urban areas.

The extremely durable timbers are specially sourced and can be manufactured to any length required.

The industrial steel supports can be powder coated in a range of RAL colours to complement your scheme.

The bench can be secured in place using surface or below surface fixings.

Also available is the Tombola Table featuring the same design principles. When combined with the table it creates a unified communal dining and social space.

Podium Bench

The Podium Bench creates a focal point whether for casual meetings or events. Available in a variety of layouts from L-shaped corner units, long runs or amphitheatres with the option to include a backboard for added privacy and wind reduction.

If you're looking for a centrepiece for social spaces our team can design and manufacture a timber podium arrangement to your exact requirements.

The frame is manufactured in galvanised steel, then clad in either softwood (such as redwood) or hardwood (Sapele) with additional fixtures such as handrails and skate deterrents.

The large units can be pre-assembled in sections and delivered to site and then easily joined together.

Holgate Seating

The Holgate Bench is part of the two-piece Holgate street furniture range and really complements the Holgate Picnic Set to create an attractive outdoor space - ideally suited to public parks and educational establishments, although it can be used in a variety of outdoor public spaces.

The Holgate Bench is manufactured from 5mm mild steel and then hot dipped galvanised to BS EN ISO 1461:2009. Clad in timber slats, treated with an external stain to increase the lifespan of the timbers, the bench is surface mounted and can be powder coated to most BS or RAL colours.

Customisable options include:

- Backrest
- Anti-Skate studs
- Choice of timbers
- Powder coating in any RAL colour

Advantages of this design include:

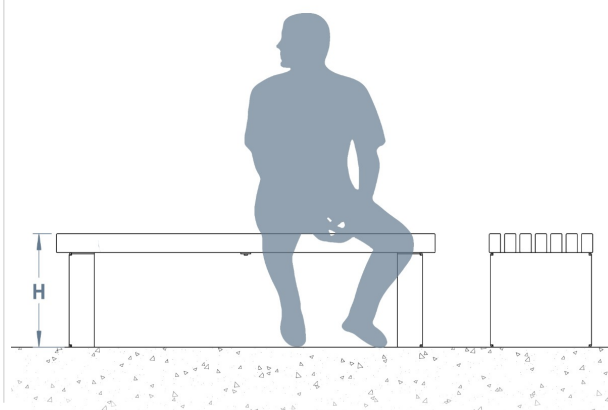

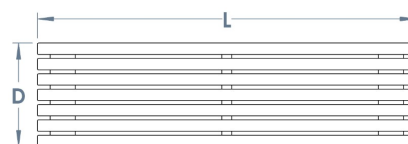

- Surface mounted for easy installation
- Consistent look with matching bench and seat

Seating is ideal for:

- Residential
- Schools
- Town centres
- Retail parks

Â

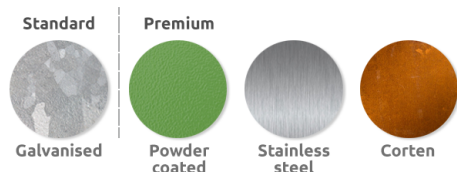

L: 1800mm x D: 410mm (Backrest D: 550mm) x H: 450mm (Backrest H: 775mm)

Bradford Seating

The Bradford Bench and Seat is a sturdy, hard-wearing seating solution that is suitable for any outdoor area, especially busy town centres. The frame is manufactured from grade 304 stainless steel with a brushed satin finish, while the base and back consist of timber slats. The combination of the two materials creates a stylish and modern seat.

Available with grade 316 stainless steel for more aggressive environments such as industrial or coastal areas.

Customisable options include:

- Grade 316 stainless steel for industrial or coastal areas
- Optional armrests for the bench
- Anti-skate studs
- Surface mount with base plates
- Stainless Steel finish
- Choice of timbers

Advantages of this design include:

- Root fixed installation for a clean finish
- Stylish and modern design
- Consistent look with matching bench and seat
- Part of the Bradford range of coordinated street furniture
- Integral armrests for the seat

Seating is ideal for:

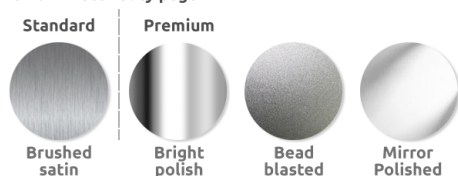

- Town Centres
- Retail Parks
- Public Spaces
