

Fold Down Parking Post

To give you an extra level of security to buildings as well being convenient for reserving parking space or controlling access, the Fold Down Parking Post is a superb, cost-effective method of reserving car park spaces. It comes galvanised and surface mounted, and its base is secured by 3 x M12 bolts (padlock & bolts supplied).

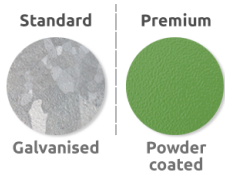

This is a great, value-for-money access control product from Bailey Streetscene.
H: 620mm x Dia: 63mm
