

Warrior Stainless Steel Standard Round Telescopic Bollard

The Warrior Stainless Steel Standard Round Telescopic Bollard has an integral security lock. It's made from Grade 304 stainless steel, and comes with a galvanised steel ground socket. This is a strong, durable bollard that is really popular with our customers and is ideal for protecting car parks, driveways or any other public parking spaces, or for cordoning off outdoor areas. 6mm wall thickness.

Dimensions:
