

Oxford Cycle Shelter

More and more places of work, educational establishments, town centres and public spaces see the benefits that cycling brings. As well as promoting health and well-being, it's great for the environment too and reduces road congestion. That's why it's so important to encourage people to cycle by giving them a safe, dry place to store their bicycles.

Full of design and versatility, the Oxford Cycle Shelter is one of our best-selling shelters. It's available as a standalone shelter or extendable by 4 metre units to suit your requirements. This shelter can be used for motorcycle parking, and its steel frame is hot dip galvanised to BS EN ISO 1461, can be powder coated, clad in 5mm, 5 year UV PET clear view.

All our Shelters can be manufactured to be BREEAM compliant.
