

Sheffield Cycle Stand

Simplicity is the key here, as our massively popular root-fixed Sheffield Cycle Stand's basic design allows it to be used in any urban and rural landscape. It's a really cost-effective way to cater for your cycle users.

Named after the Steel City, you won't be surprised to hear that this is manufactured from mild steel and hot dipped galvanised as standard - and with powder coating to most BS or RAL colours available, as well as the option of being surface mounted.
