

Coser Y Cantar Cycle Stand

Coser Y Cantar translates as a 'piece of cake', and if you are looking for a hard-wearing cycle stand manufactured from ductile cast iron then the Coser Y Cantar Cycle Stand is an easy choice. A piece of cake, indeed. It has a primed coat with a grey forge top coat, and a wrought iron effect. Add an anti-corrosion finish and you have a durable cycle stand that will do exactly the job you're looking for.

This gives the cycle user the safety and security that they are looking for, whilst you are providing an attractive, durable product to offer just that. There is a real need for outdoor spaces to provide the products to ensure increased security for cycle owners, and the Coser Y Cantar Cycle Stand allows you to do this.
