

Feature Top Stainless Steel Bollard

Main body grade 304 or 316 stainless steel for more aggressive environments, such as industrial or coastal areas, the Feature Top Stainless Steel Bollard is a great choice for anyone looking for a hard-wearing, contemporary looking bollard.

With a brushed satin finish with a deep groove and semi-dome feature top, this is a root fixed bollard but comes with the option of being surface mounted. It gives a clean look to any outdoor landscape, and it's suited to a range of applications such as pedestrian walkways and protected parking areas.
