

Pedestrian Guardrail

If you're looking for a durable, effective roadside barrier for pedestrians while allowing good visibility from a motorist's point of view, our Pedestrian Guardrail is an excellent option.

With 12mm solid infill bars, this comes galvanised as standard, and a powder coat option is also available. With a strong, durable vandal-proof structure, the Pedestrian Guardrail is perfect for a wide variety of applications, especially as it's virtually maintenance-free which makes it cost-effective too.

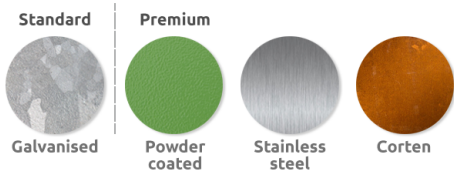

H: 1000mm x L: 2000mm
