

Wilmslow Cycle Shelter

This is a truly versatile shelter, and can be manufactured to suit your requirements. The Wilmslow Cycle Shelter has a variety of applications including covered walkways, cycle parking, and motor cycle parking. The steel structure is hot dipped galvanised and then powder coated to your colour choice.

The curved pitched roof is clad with 5mm PETG clear view sheeting, and optional side cladding is available. This will complement any outdoor location and provide a contemporary, stylish solution to cycle and bike storage whilst providing weather protection and promoting cycle usage.

All our Shelters can be manufactured to be BREEAM compliant.
