

12M Mayfair Cycle Shelter

The 12M Mayfair Cycle Shelter will complement any outdoor location and provide a contemporary, stylish solution to secure cycle storage whilst providing weather protection for bikes and promoting cycle usage.

This is an extremely popular shelter, as its striking contemporary design makes it suitable for a wide range of environments. Available as a standalone shelter or extendable by 4 metre units to suit your requirements, the integral cycle rack has a capacity for 30 bikes.

Steel frame is hot dip galvanised to BS EN ISO 1461, can be powder coated, and clad in 5mm 5 Year UV PET clear. Covered end panels also available. All our Shelters can be manufactured to be BREEAM compliant.

L: 12120mm x D: 2400mm x H: 2100mm
