

## Springwell Bench

Manufactured to meet your exact requirements, the Springwell Bench is part of the hard-wearing, low-maintenance and excellent value for money Springwell range. Manufactured from 60mm tubular mild steel then hot dipped galvanised to BS EN ISO 1461:2009, this bench is clad in hardwood or softwood timber slats and treated with an external stain to increase the lifespan of the timbers.

A galvanised finish comes as standard and the bench can be powder coated to a wide range of RAL or BS colours. This is an excellent and popular all-round choice for any outdoor area.

Available as surface mounted or root fixed.

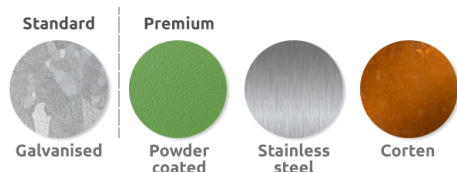

Manufactured to suit customer requirements
