

Bespoke Deacon Cycle Shelter

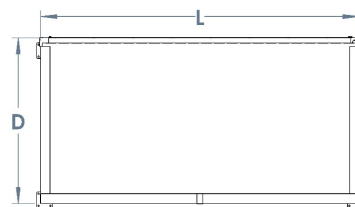

The Bespoke Deacon Cycle Shelter from Bailey Streetscene is one of our best sellers due to its versatility in being able to accommodate any number of bicycles: Plus it looks great and can fit seamlessly into many outdoor environments.

The timber cladding is available in hardwood or softwood options. The shelter comes complete with aluminium flashings to all sides and can also incorporate guttering to the rear, whilst it can also be powder coated to any standard RAL colour to suit your requirements.

As you can see in the images the Bespoke Deacon Cycle Shelter can also accommodate various front claddings eg. open fronted, mesh clad, timber clad or gatedâ€â€making it the perfect shelter for cycle coverage in schools, hospitals and public spaces.

Feel free to contact our sales team with your personal requirements and they will be happy to supply you a quote for your own bespoke solution.
