

Ormiston Litter Bin

This is perfect for aggressive outdoor environments such as industrial or coastal areas, due to the Ormiston Litter Bin having a galvanised mild steel frame. Its exterior is recycled plastic cladding, although timber cladding is also available on request, giving you a choice of looks to match the needs of your space.

This front opening litter bin is a great addition to any outdoor setting and matches perfectly the bench, seat and picnic table from the Ormiston range.

L: 500mm x D: 500mm x H: 720mm
