

Campus Bench

Used extensively in many outdoor spaces, the Campus Bench is a modern-looking timber bench that can be used alone or combined with various extension modules to meet the specific requirements of any outdoor environments, and as its name suggests is popular in schools, colleges and universities.

Part of the Campus Series of modular street furniture elements, this is a highly adaptable bench manufactured from steel and hardwood timbers, with the steel legs being available in galvanised and powder coated finishes.

L: 2000mm x D: 190/390/800mm x H: 480mm
