

Versio Corpus Bench

Available with two different timber slat configurations, the Versio Corpus Bench can be adapted to suit your needs. So, you get a stunning piece of outdoor furniture with the added bonus of flexibility of choice too, especially when you see that the hardwood timber slats are available in 3 different sizes and the end panels are available in either steel, concrete, or graphite concrete finish.

The Versio Corpus Bench perfectly combines timber and steel to create a stylish, practical modern looking product and is an integral part of the extensive and stunning Versio range of outdoor furniture.
