

Paribus Seat

The Paribus Seat is a subtle combination of steel frame clad in either timber slats or steel grid design, suited to various public outdoor spaces. Its practicality and durability make it ideal for high footfall, heavy use areas.

As part of the Modulsystem range, this seat is available in a wide choice of finishes and styles in steel, timber or a combination of both. Available with armrests.

L: 1970mm x D: 620mm x H: 900mm
