

Avon Bench

This has everything you'd want from a reliable and classic street furniture bench: it's versatile, durable, cost-effective and is manufactured from carefully selected treated hardwood and softwood timbers sourced entirely from commercially-managed, recognised and sustainable resources.

We have a wide variety of benches in stock, and the Avon Bench is always a really popular product. We recommend that you add an annual single coat of varnish or stain to maintain the bench's quality and increase longevity.
