

Durham Bench

Versatile, flexible and reliable, the Durham Bench is another excellent example of a hardwood and softwood timber bench provided by Bailey Streetscene that will enhance your outdoor space.

We have a wide variety of hardwood and softwood timber benches in stock, and the Durham Bench is another that is manufactured from carefully selected treated timbers sourced entirely from commercially-managed, recognised and sustainable resources. This dependable bench we recommend you give an annual single coat of varnish or stain to maintain its quality.
