

Greengate Seat

The Greengate Seat sets the tone for the entire Greengate range of timber and steel products. 8mm plate legs provide a sleek, stylish, yet ultra-durable and vandal-resistant frame for beautiful exotic hardwood or softwood timber slats.

This is available as a bench and seat with backrest, and comes with a range of installation options such as armrests, anti-skate options and any other bespoke requirements you may have - making it perfect for public spaces such as parks, schools, and retail parks. The Greengate range is great for all your landscape designing requirements - as well as the seat take a look at the bench, litter bin and picnic set that accompany it.
