

Stoke Shelter

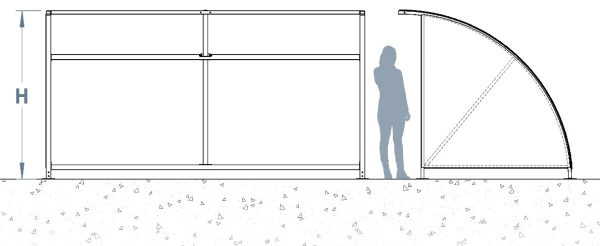

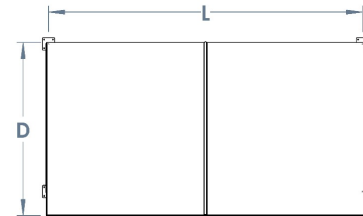

The Stoke Shelter is the latest addition to our range of economy shelters and it's a really popular one too due to its versatility. It suits all environments and offers an economical solution to your cycle parking requirements. Its modular design allows the shelter to be available in any length to suit your requirements, and the shelter can also be adapted to become a secure cycle compound.

Manufactured in the UK, the robust design acts against vandalism and can be made to suit BREEAM requirements, and it's available from stock in multiples of 4 metre bays.

Hot dipped galvanised to BS EN ISO 1461:2009, 4mm Clear PET cladding available to

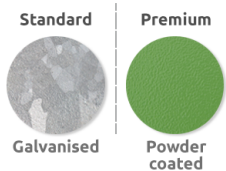

both roof and end panels.

L: 4100mm x D: 2100mm x H: 2150mm
