

Goal Units

We have installed literally thousands of distinctive multisport goals for school playgrounds and public spaces all over the UK.

It's not just about providing and installing products. We feel that it's about understanding the need for challenging and stimulating outdoor sport and play environments, and a big part of that is understanding and appreciating the physical, mental and social benefits of exercise that play and sport plays in everyday life.

Often imitated but never bettered, our premium quality, anti-vandal steel design ensures that these permanent outdoor goals support hours of fun, sports and active play for many years to come. Choose from hundreds of customisable options, including 5 a side or full height goals, with football, basketball, netball, hockey & cricket all supported in one unbeatable value sports solution.
