

Multiplicity Cycle Stand

Part of the contemporary stylish Multiplicity range, the Multiplicity Cycle Stand shares the subtle convex frame language of the benches, seats and table of its counterparts. Manufactured from a single aluminium casting, it has unique ergonomic features, and makes a superb addition to any outside area.

This gives the cycle user the safety and security that they are looking for, whilst you are providing an attractive, durable product to offer just that. There is a real need for outdoor spaces to provide the products to ensure increased security for cycle owners, and the Multiplicity Cycle Stand allows you to do this.
