

Multiplicity Illuminated Bollard

The Multiplicity LED Illuminated Bollard shares the graceful visual vocabulary of the collection in which robust verticals end in winged forms. But as well as being a stylish, modern bollard, it's really fit-for-purpose too.

Powered lights can be specified with type 4 or type 5 light distributions to provide desired light patterns and illuminance of which are achieved by variations in the number and placement of LED arrays within the luminaire.

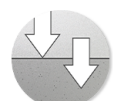

L: 352mm x D: 175mm x H: 919mm
