

Hollins Shelter

The Hollins Shelter has multi-uses. It can be used for a variety of outdoor areas such as playgrounds, walkways, cycle parking bays and bus stops.

The Hollins features a cantilevered design with a sturdy roof section featuring integral guttering for waste water discharge. The steel frame is hot dip galvanised to BS EN ISO 1461, can be powder coated.

Sides and rear clad in perforated Galvanised and Powder Coated steel panels.

Roof clad in coloured multiwall polycarbonate sheets

All our Shelters can be manufactured to be BREEAM compliant.
