

## Deansgate High Table and Stool

A popular option for roof terraces and urban areas, the Deansgate high table and stool provides an elegant platform for social interactions.

The frames are manufactured from square Aluminium tubes and available in a range of powder coated colour options (pictured feature RAL 7016 finish). The table and stool tops are clad in hardwood (pictured feature Sapele) producing a precision and high-quality finish – other option for the table and stool tops are available – such as soft woods, recycled plastic or aluminium slats.

The table and stool can be secured in place using ground fixing or can be free standing provided there is a stable and level ground.
