

Greengate Lounger

The Greengate Lounger is part of the Greengate range of timber and steel products. Manufactured from 5mm mild steel and then hot dipped galvanised to BS EN ISO 1461:2009. available in hardwood or softwood timber slats. Surface mounted. Longevity of the lifespan of the timbers is bolstered by the timber slats being treated with an external stain, whilst this lounger can be powder coated to most BS or RAL colours.

The Greengate range is great for all your landscape designing requirements, the lounger is perfect for public parks and private roof terraces.

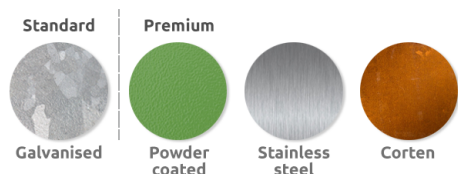

L: 2583mm x D: 640mm x H: 625mm
